Exit to 12th St. and Ludlow St.

Most of our activities this weekend are on the **Second Floor** and **Second Floor Mezzanine** of the hotel.

We encourage you to take a break in the **Hospitality Suite** if you need a quiet space or a salty snack.

The **Reading Terminal Market** one block north of the hotel on **12th Street** or **East Market** just east of the hotel on **Ludlow Street** are fun places to grab a bite to eat.
